ABOUT US

Family Magic Plus is a vibrant and authentic family lifestyle creator account based in Celebration, Florida, just outside Orlando. We share our journey as French expats exploring life in the U.S., blending family adventures, travel inspiration, theme park experiences, and everyday moments with joy and authenticity.

We are proud members of InsidEars, the official influencer community of Disneyland Paris, which reflects our strong connection to Disney storytelling, theme parks, and immersive experiences. This affiliation reinforces our credibility within the family, travel, and entertainment space.

Our bilingual content (French & English) resonates with an engaged international audience seeking real-life experiences, trusted recommendations, and inspiring destinations. Through high-quality reels, stories, and curated visuals, we help brands connect authentically with families while creating meaningful, emotion-driven content rooted in real moments.

Family Magic Plus collaborates with lifestyle, travel, and family-friendly brands looking for genuine storytelling, strong community engagement, and cross-cultural visibility between Europe and the United States.
